

# ESSER and American Rescue Plan Initiatives

## Rescued! Your learning loss solution!

The American Rescue Plan is bringing relief to schools and public libraries struggling with the impact of the pandemic to provide *support* to improve equity, *sustain* safe operations, *deliver* reading and learning loss enrichment programs and expand technological capacity.

We have your single-source solutions to meet these challenges while streamlining your initiatives, creating time-saving efficiencies including your procurement process!

## Reading Enrichment Bundles

Gumdrop Books understands the importance of keeping students and patrons engaged through your Reading Enrichment programs. We are now providing 2 pre-selected packages for grade levels K to 6 and 7 to 12. These Reading Enrichment bundles can be obtained with ESSER funds.

## Learning Loss Bundles

Our exclusive pre-made Learning Loss Bundles focus specifically on the materials that will assist your school and district staff meet the criteria for learning loss and reading enrichment programs for the Pre-K to 12th grade levels. These bundles focus on:

- SEL and Character/Emotions
- Literacy Skills
- Biographies
- Beginning to Read
- Technology
- STEM and Arts
- And much more!
- Current Events
- Community

## Limitless Library Bundles

Our most popular solution is our new "Limitless Library Bundles", which are cloud-based solutions that increases staff, student and parent engagement. It delivers equitable access to all curriculum and reading resources, improves collection discoverability, including one-click access to digital content, and the ability to assign materials to any Learning Management Software (LMS), all through a single platform.
