Easy Navigation

The control center at the bottom of the screen ensures that the book's pages are the main focus for early readers. Large buttons make it easy to navigate through each title. These buttons change to reflect whichever language is currently selected.

Language Toggle Bar

Easily switch between languages with a simple click. Watch as the current page is translated into another language before your eyes.

Amazingly easy to use!
Focuses on the early reader and the learning of other translations.

Works with All Platforms

Along with the ability to view this platform on a standard desktop, AV² World Languages works on all tablets and SMART Boards. The interface is clear of clutter and is responsive to all screen sizes.

Now Featuring Full Audio

The full audio feature allows them to listen to the text in the chosen language as they flip through the book. Click the READ button on each page to hear the audio.
