## Library Solutions

**Paving a pathway for the curious with the very best reading materials.** Children and young adults will be able to explore new, exciting worlds through our fiction and non-fiction materials, in a wide variety of topics. With competitive prices and current copyrights, we'll help you create a meaningful library collection.

## Classroom Solutions

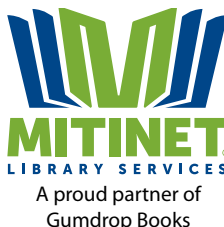

**Empowering student understanding and knowledge for lifelong learning.** Having access to incredible educational resources in the classroom encourages life-long reading and the development of new knowledge. Students can connect with many subjects and hot topics to help accomplish their academic goals. Thousands of titles are available that will fit your specific reading program, making it simple to integrate books into instruction.

## Fitzgerald Books

**Tougher outside - still fun inside.** Librarians have a hard time finding quality paperback books for popular titles that can withstand "tough love" from kids. That's why we created a line of high interest fiction titles rebound with attractive, durable library bindings. As the most popular titles in the library, Fitzgerald Books still look great after many years of circulating to avid readers. Exclusively available from Gumdrop Books.

## Discover More

**The best metadata management is backed by the best data services to keep your database up-to-date and accurate.** Mitinet's industry-leading Custom Data Services team provides full-service database cleanups & MARC record updates based on your timeline, budget and needs so your readers are always able to discover more.

## Ordering is Easy!

Make an appointment to meet one-on-one with your local, expert educational consultant. We work with your schedule to provide onsite ordering assistance and presentations. We'll go over your library or classroom needs, show you samples, and help you order the best collection for your budget. You can order at your convenience:
