

As institutes of life-long learning and engagement, public libraries play an integral role in the growth of our communities. By continually evolving and expanding to meet community needs, they build and maintain strong social connections. We understand the value of these institutions of inspiration where individuals gather to **imagine, explore, and innovate.**

No time? No problem! We understand.

Your local Library Consultant will provide you a curated collection of materials created specifically to match your needs!

*Gumdrop Books will replace any library bound books free of charge if the binding fails and the book is still in print and available through Gumdrop Books. Books will be replaced due to manufacturing failures, defects, and binding issues. It is required that the book still be in print and available for replacement when the claim is made. We will refund, replace, and/or correct any concern or problem - Period. Paperbacks and publishers trade bound editions do not have an unconditional guarantee.

**Free unattached labels include Barcode Label, Spine Label, Reading Program Labels (AR, RC, F&P, GR), Custom Property Label, Book Pocket Label, and Shelf List Label. Other custom labels, card sets, and shelf-ready processing available for a minimal charge. See your local Library Consultant for details.
