

READ QUIZ

THE AFFORDABLE READING PROGRAM

ReadnQuiz™ is a cloud-based literacy development program designed to build student foundational literacy skills and measure their performance. Supporting class and individualized practice, ReadnQuiz motivates and incentivizes students to read while tracking their literacy progress and increasing library circulation! With over 51,000 quizzes available (and continuously adding more each week), this puts ReadnQuiz at the forefront as the 3rd largest reading program! Best of all, ReadnQuiz is THE affordable reading program that comes at a price that won't consume your budget!

PUTS YOU IN CHARGE

"I would highly recommend ReadnQuiz to anyone looking for an alternative to the other programs."

Jennifer Marcantel
Mauriceville Middle School, TX

"I LOVE ReadnQuiz! It's a great tool to boost student accountability. Thank you, God bless, and keep up the amazing work!"

Lynda Hassick
Allentown School Dist, PA

"I am very pleased with the company and I absolutely love ReadnQuiz!!!"

Becky McGarrity
Belleville East High School, IL

"This was a great incentive for many reluctant readers. I had teachers that really monitored the program and I saw an increase in circulation from their classes."

Cherie Duda
Carver Int. School, VA

"They are very responsive to suggestions and have a much more personal level of involvement than the bigger programs. My school has been nothing but pleased with this program!"

Rachel Hester
Stone Creek Elementary, GA

Question

Red Rising
Number of Questions: 5

1. What was the big deception the Reds lived under?

- If they worked hard enough, they could become Golds.
- Mars' surface was uninhabitable.
- Those who mined the most helium-3 were sent to Earth.
- The ArchGovernor of Mars was a God.

OPTIONAL. Help make this quiz better!

What's your opinion of this question? Bad OK Good

How hard was this question? Too Easy OK Too Hard

Was this a fair question? Yes NO!

OUR GUIDING PHILOSOPHY

We are driven by a passion for the design and build of ReadnQuiz and the opportunity to provide this program to schools, districts, and libraries worldwide. Profits will never be prioritized above student's literacy development; therefore, we pledge to always keep our prices as low as possible. Most importantly, we will always continue to develop new features for YOU!
